Overview of future direction of ASTP to be Wednesday

Steve Cook, deputy manager of NASA's Advanced Space Transportation Program (ASTP), will present an overview on the future direction of ASTP to interested Marshall team members from 1:30-2:30 p.m. Wednesday in Bldg. 4200, room P110. His discussion includes a new focus on hypersonics — propulsion, airframe and flight vehicles, in-space propulsion technologies, and long-term propulsion research.

Lunch tickets for April 24 STS-1 20th anniversary celebration on sale through admin officers

NASA 'Goes to the Stars' 7:05 p.m. Friday, Joe Davis Stadium. Pick up free tickets from admin officers

20th anniversary of STS-1 history chat set Wednesday

Marshall retiree George Harsh will present the first of two history chats celebrating the 20th anniversary of STS-1 at 11:30 a.m. Wednesday in the Heritage Gallery in Bldg. 4203. Harsh will reminisce about his experiences.

Southern Wake-up Espresso marks one year with Marshall

The Southern Wake-up Espresso Coffee Bar in Bldg. 4203 celebrates its one-year anniversary with the Marshall Center Tuesday and Wednesday. Complimentary cake and reduced price drinks will be offered. On Wednesday, the cafeteria and coffee bar will offer reciprocal discounts to patrons. A coffee bar receipt is worth a 10 percent discount in the cafeteria. A cafeteria receipt gets 50 cents off a beverage.
